

Super Mega Mistake.

Explores the mistakes of AI — and of humans using it. From once-common glitches like distorted hands (almost cured now) to everyday failures such as recipes gone wrong, errors become material for reflection. Super and Mega aim to exaggerate these stories, visually and conceptually, amplifying both their humor and significance.

Works by Nika Sandler, Vasilisa Kovalyova aka Asics Twink, Vladimir Svistunov, riya_k, Alexey Akimov, Kaverzin, Alexander Kovalev, Nikita e, Yana Kaufman, Anna Kokotova, Alexey Shidlovskiy, Sergey Egorov, D3mark0.

Curated by Alexander Mikhailov aka D3mark0.
